Dear Women of the Member Organisations, dear Participants of our Study Days,

Time moves on and with it, unfortunately, the limitations imposed by the ongoing pandemic that continues to dominate our daily lives and, above all, limits our opportunities to travel. So instead of the planned study days in Riga, we cordially invite you to our **online study days on 02 and 03 July 2021.**

The subject is:

**Our Voice, Our Life, Our Future -
Empowerment of women and women's organisations**

On Friday, 2 July 2021, we will meet from 14:00 to 19:00 and on Saturday, 3 July 2021, from 10:00 to 16:00 Central European Time, so one hour earlier in the UK, and one hour later in Eastern European countries.

At the moment, the CoCoA members are busy working on this new format of the event and will be sending you our revised programme, coordinated with the speakers, as soon as possible.

We hope that you will join us and would be grateful if you would pass on this revised information.

Two more pieces of news we should like to share with you today:

- ANDANTE is now also present on **Facebook** and we would be happy if you share and "like" our page.
- Next year, with our Study Days, the **General Assembly**, with new elections, will take place **in Riga from 1 to 6 June 2022.** Already we are asking you to think about whom you would like to send from your organisation to the Coordinating Committee of Andante.

We look forward to keeping in touch with you!

We wish you all a good start to Spring and that you stay healthy.

On behalf of the CoCoA we send you our warmest greetings,

Vroni Peterhans-Suter und Sabine Slawik
