## Invitation to the Andante Study Days 2022

Dear Members of Andante and friends,

it is with great pleasure that we invite you to the next ANDANTE Study Days

### **A vulnerable world calls for creative women**

**1<sup>st</sup> – 6<sup>th</sup> June 2022**

### ***International Culture and Education Centre Lizari, Latvia***

The vulnerable world appeals to all of us, also to the inventive spirit of women. It concerns challenges regarding environment and sustainability. How can we protect our planet for the next generations?

In his encyclical letter *Laudato Si* (June 2015) and many times afterwards, Pope Francis called us to take care of our common home. Climate change, sustainability, ecology and the environment are key words that require global attention.

Andante, the European Alliance of Catholic Women's Organisations, also wants to focus on these items. During the Study Days in Lizari International Culture and Education Centre, Latvia, the issue of sustainability will be approached from different points of view.

Four speakers from different European countries, with various backgrounds and experiences, will urge the participants of the Study Days to act for their common future: The Dutch theologian Trees van Montfoort who published in 2019 her highly appreciated book "*Green Theology*" (in Dutch "*Groene Theologie*") will go deeper into the relation of religion, belief, sustainability and maintenance of our planet. She will give an inspiring overview of how Christian faith can give a motivation to care for this earth. Vroni Peterhans from Switzerland will focus on Church and Creation, Mary McHugh from Great Britain on Medicine and Creation, and Iluta Lace from Latvia will talk about women's rights and gender equality. Various workshops will be offered in the afternoons. Have a look at the detailed programme!

We are sure that this important topic of sustainability will inspire and motivate European women to take part in the ANDANTE Study Days.

The Study Days will start on Wednesday, 1<sup>st</sup> June 2022, with dinner and end on Monday, 6<sup>th</sup> June 2022 after breakfast. They include the General Assembly of Andante, which will be accessible for all participants.

## **Participation**

We want to invite women from all levels of the Andante member organisations – from the local, the regional, the diocesan and the national levels, as well as Friends of Andante and other interested women to come to the Study Days.

As our working languages are English, French and German, it is necessary that the participants are proficient in at least one of these languages. There will be simultaneous translation provided and discussion groups in all three languages.

## **Andante Liturgy**

Already now we ask those who want to prepare a part for the ANDANTE liturgy please contact Vroni Peterhans-Suter: [vroni.peterhans@wgt.ch](mailto:vroni.peterhans@wgt.ch)

## **Cultural Evening**

At our Study Days, it is a good custom to organise a cultural evening on the last evening with contributions from our member organisations. There will be a Latvian dance performance, and Latvian songs will be sung accompanied by guitar. We would be very pleased if we can expect a contribution or a performance from the participants and delegates as well.

## **Market Place**

On Thursday evening there will be a market place: a market full of stalls where you can buy everything like: things that make you wiser (leaflets, booklets), things that make you happy (liqueur, self-knitted socks, bottles of oil), things that you want to give to others (a song, a poem, a bite of fresh air) and things that bring you closer to heaven (prayers, indulgences, wine for the mass that is over the date, etc.). These can simply be sold for the price you want. But we ask for a 10% remittance for charity. The possibilities and the inspiring trifles can be sold for a small (symbolic) price. And that revenue is also earmarked for charity. With this money we will support a project in Latvia.

## **Travel information**

The airport to fly to is Riga airport (RIX).

There is no public transport to Lizari from the airport. Therefore we will organise transfer busses.

**In order to arrange the transfers, we need your arrival and departure times and flight numbers as indicated in the registration form.**

## **Registration**

Please notice that you have to register via our website [www.andante-europa.net](http://www.andante-europa.net) for the Study Days. The registration is possible from now on.

## Costs / Participation fee

Participation fee	600 €
Member Organisations from Eastern Europe	150 €
